

12	analysing implementing and revitalizing potential of corporate partnerships for sustainable development	local sustainable consumption and production – drivers – survey – transnationals	Lokale Agenda Dresden e.V.	summer 2021
12	analysing implementing and revitalizing potential of corporate partnerships for sustainable development	local sustainable consumption and production – reporting – survey – global standards	Lokale Agenda Dresden e.V.	summer 2021
12	analysing implementing and revitalizing potential of corporate partnerships for sustainable development	local sustainable consumption and production – strategy review – survey – international cooperation	Lokale Agenda Dresden e.V.	summer 2021
15	exploring transfer options for biodiversity-related means of communication	on-campus biodiversity habitats – catalogue – strategy design – global monitoring initiative	Sustainable Campus TU Dresden	summer 2021
13	exploring transfer options for biodiversity-related means of communication	on-campus biodiversity habitats – inventory – mapping – global monitoring initiative	Sustainable Campus TU Dresden	summer 2021
11	fostering a climate-neutral university through CO ₂ -calculator design	system-limits analysis of carbon-neutral universities – guidelines – literature review – international prototype	Wilderness International	summer 2021
4	fostering a climate-neutral university through CO ₂ -calculator design	comparison of carbon-footprint approaches – guidelines – concept design – international prototype	Wilderness International	summer 2021
4	fostering a climate-neutral university through CO ₂ -calculator design	topics and parameters for a sustainable global university – guidelines – comparative analysis – international prototype	Wilderness International	summer 2021
10	fostering a climate-neutral university through CO ₂ -calculator design	CO ₂ -emissions of academic institutions – calculation – footprint assessment – international prototype	Wilderness International	summer 2021
15	designing mobile learning experiences for creating awareness to promote food sustainability in cities	educational approach for sustainable food consumption – case study – assessment – global transfer options	BUND Dresden	summer 2021
15	designing mobile learning experiences for creating awareness to promote food sustainability in cities	awareness-raising options for food sustainability at global scale – case study – concept design – global transfer options	BUND Dresden	summer 2021
11	designing mobile learning experiences for creating awareness to promote food sustainability in cities	methodological elements for outdoor mobile learning experience for sustainable food-production – case study – concept design – global transfer options	BUND Dresden	summer 2021
11	engaging multiple stakeholders for inclusive community building	community feedback on green infrastructure – guidelines – feedback analysis – global transfer options	Chemnitz grünt	winter 2021
11	engaging multiple stakeholders for inclusive community building	access and inclusive participation to green infrastructure – concept – feedback analysis – global transfer options	Chemnitz grünt	winter 2021
2	engaging multiple stakeholders for inclusive community building	green spaces for children – learning alternatives – feedback analysis – global transfer options	Chemnitz grünt	winter 2021
13	engaging multiple stakeholders for inclusive community building	access and inclusive participation to green infrastructure for visually challenged – pilot project – project design – global transfer options	Chemnitz grünt	winter 2021
13	promoting strategies of improving the living habitat of insects	disseminating information of insects in urban ecosystem – communication strategy – strategy design – global sustainable urban ecosystem	Chemnitz grünt	winter 2021
13	promoting strategies of improving the living habitat of insects	species' monitoring for insects in urban ecosystems – case study – literature review – global sustainable urban ecosystem	Chemnitz grünt	winter 2021
13	inspiring community involvement and stakeholders for managing and monitoring edible-cities' processes	community participation for edible cities – case study – concept design – global network	edible cities Stadtgärten e.V.	winter 2021
11	inspiring community involvement and stakeholders for managing and monitoring edible-cities' processes	stakeholder management of edible cities – case study – stakeholder mapping – global network	edible cities Stadtgärten e.V.	winter 2021
11	assessing the role of community gardens for contributing to society and nature in urban contexts	potential of community gardens – assessment – strategy design – global transfer knowledge	UFER Projekt Alte Gärtnerei	winter 2021
11	assessing the role of community gardens for contributing to society and nature in urban contexts	sustainable nutrition and lifestyle through community gardens – assessment – critical review – global transfer knowledge	UFER Projekt Alte Gärtnerei	winter 2021
4	promoting infrastructure and work environment for scholars at risk without exposing their privacy	strategies facilitating the acquisition of jobs part of their development and integration – guidelines – concept design – global network	Scholars at Risk TU Dresden	winter 2021
4	promoting infrastructure and work environment for scholars at risk without exposing their privacy	learning strategies regarding the promotion and advocacy of academic freedom and human rights for scholars at risk – brochure – framework analysis – global network	Scholars at Risk TU Dresden	winter 2021
15	raising awareness to prevent the extinction of threatened Great Bustards	targeted merchandise products – case study – comparative impact analysis – transnational mutual learning	Förderverein Großtrappenschutz e.V.	summer 2022
15	raising awareness to prevent the extinction of threatened Great Bustards	customized designed merchandise products – prototypes – ideation and creation – transnational mutual learning	Förderverein Großtrappenschutz e.V.	summer 2022
13	Involving multiple stakeholders in climate-friendly Green Box Concerts	sustainable event management – guidelines – concept design – global climate-action initiative	Orchestras of Change Staatsoperette Dresden	summer 2022
13	Involving multiple stakeholders in climate-friendly Green Box Concerts	sustainable brand and stakeholder management – guidelines – assessment – global climate-action initiative	Orchestras of Change Staatsoperette Dresden	summer 2022
16	increasing national and global visibility and reach for academic initiatives of scholars at risk	social-media-campaign assistance – guidelines – comparative media-impact analysis – global network	Scholars at Risk TU Dresden	summer 2022
10	increasing national and global visibility and reach for academic initiatives of scholars at risk	social-impact-placement strategy for web content – guidelines – concept design – global network	Scholars at Risk TU Dresden	summer 2022
1	assessing strengths, weaknesses and opportunities of an urban and peri-urban agriculture organization	environmental vulnerability-impact assessment – report – literature review – global initiative	Guiando Territorio	winter 2022
2	assessing strengths, weaknesses and opportunities of an urban and peri-urban agriculture organization	biodiversity monitoring – guidelines – data analysis – global initiative	Guiando Territorio	winter 2022
13	assessing strengths, weaknesses and opportunities of an urban and peri-urban agriculture organization	climate-awareness-raising campaign – GHG-calculator-tool – concept design – global initiative	Guiando Territorio	winter 2022
4	promoting educational programmes for sustainable food consumption	food-waste-awareness-raising campaign – workshop-evaluation-tool – case study – global transfer options	Zur Tonne	winter 2022
12	promoting educational programmes for sustainable food consumption	food-waste-awareness-raising campaign – workshop-evaluation-tool – comparative assessment – global transfer options	Zur Tonne	winter 2022
7	making the UN Sustainability Strategy practically relevant for staff members	energy-use efficiency – information sheet – field visit – global transfer options	UNU-FLORES	winter 2022
5	making the UN Sustainability Strategy practically relevant for staff members	gender-related disparities – awareness sheet – interviews – global transfer options	UNU-FLORES	winter 2022
12	making the UN Sustainability Strategy practically relevant for staff members	waste management – fact sheet – field survey – global transfer options	UNU-FLORES	winter 2022
13	making the UN Sustainability Strategy practically relevant for staff members	travel emission – guidelines – pathways analysis – global transfer options	UNU-FLORES	winter 2022
12	exploring the potential of innovative agriculture with a focus on the amica plant	cultivating costs – case study – cost assessment – global comparison	UNU-FLORES	summer 2023
12	exploring the potential of innovative agriculture with a focus on the amica plant	cultivating costs – blueprint survey tool – SWOT analysis – global comparison	UNU-FLORES	summer 2023
12	exploring the potential of innovative agriculture with a focus on the amica plant	energy costs – calculation tool – cost assessment – global opportunity-costs comparison	UNU-FLORES	summer 2023
12	exploring the potential of innovative agriculture with a focus on the amica plant	modular-vertical-farming technology – strategy blueprint – interviews – global comparison	UNU-FLORES	summer 2023
12	promoting sustainable (slow) fashion practices	fashion-awareness-raising campaign – fact sheet – presentation – global collaboration	UNU-FLORES	summer 2023
12	promoting sustainable (slow) fashion practices	fashion-awareness-raising campaign – guidelines – content analysis – global collaboration	UNU-FLORES	summer 2023
12	promoting sustainable (slow) fashion practices	fashion-awareness-raising campaign – showcase – presentation – global collaboration	UNU-FLORES	summer 2023
4	making SDG-related artworks accessible to diverse audiences	global-learning campaign – budget plan – cost assessment – global transfer options	UNU-FLORES	summer 2023
17	making SDG-related artworks accessible to diverse audiences	dialoguing partnerships – stakeholder map – stakeholder analysis – global transfer options	UNU-FLORES	summer 2023
4	making SDG-related artworks accessible to diverse audiences	awareness raising – storyline – imaging – global transfer options	UNU-FLORES	summer 2023
4	making SDG-related artworks accessible to diverse audiences	awareness raising – marketing campaign – imaging – global accessibility	UNU-FLORES	summer 2023
9	supporting energy transition to green hydrogen as future-energy technology	risk assessment – report – literature review – global upscaling options	PIX Lab Lausitz	summer 2023
9	supporting energy transition to green hydrogen as future-energy technology	energy infrastructure – report – literature review – global upscaling options	PIX Lab Lausitz	summer 2023
12	designing an interactive city tour with a focus on Carlowitz	awareness raising – market research – story-telling – global initiative	Sächsische Hans Carl von Carlowitz Gesellschaft zur Förderung der Nachhaltigkeit	winter 2023
12	designing an interactive city tour with a focus on Carlowitz	awareness raising – budget plan – cost assessment – global initiative	Sächsische Hans Carl von Carlowitz Gesellschaft zur Förderung der Nachhaltigkeit	winter 2023
12	designing an interactive city tour with a focus on Carlowitz	awareness raising – storyline – imaging – global initiative	Sächsische Hans Carl von Carlowitz Gesellschaft zur Förderung der Nachhaltigkeit	winter 2023
13	designing an interactive city tour with a focus on Carlowitz	awareness raising – social-media campaign – strategic planning – global initiative	Sächsische Hans Carl von Carlowitz Gesellschaft zur Förderung der Nachhaltigkeit	winter 2023
2	bridging the knowledge gap for enabling vertical farming	awareness raising – interview guide – stakeholder analysis – global transfer options	UNU-FLORES	winter 2023
12	bridging the knowledge gap for enabling vertical farming	awareness raising – recommendations – stakeholder analysis – global transfer options	UNU-FLORES	winter 2023
12	bridging the knowledge gap for enabling vertical farming	awareness raising – case study – interviews – global transfer options	UNU-FLORES	winter 2023
2	bridging the knowledge gap for enabling vertical farming	awareness raising – political brief – literature review – global transfer options	UNU-FLORES	winter 2023
3	consolidating the state of art vis-à-vis vertical farming in Europe	awareness raising – case study – literature review – global upscaling options	UNU-FLORES	winter 2023
9	consolidating the state of art vis-à-vis vertical farming in Europe	leverage effects – case study – survey – global comparison	UNU-FLORES	winter 2023
2	consolidating the state of art vis-à-vis vertical farming in Europe	impact assessment – case study – mixed method – global initiative	UNU-FLORES	winter 2023
3	consolidating the state of art vis-à-vis vertical farming in Europe	feasibility study – report – literature review – global initiative	UNU-FLORES	winter 2023
13	catalysing sustainable fuel options in the maritime shipping sector	impact-creating campaign – literature review – literature analysis – global network	PIX Lab Lausitz	winter 2023
13	catalysing sustainable fuel options in the maritime shipping sector	incentivizing energy options – storyboard – literature review – global network	PIX Lab Lausitz	winter 2023
12	creating an interactive educational path for sustainable living	awareness-raising journey – platform – field visits – global initiative	Sächsische Hans Carl von Carlowitz Gesellschaft zur Förderung der Nachhaltigkeit	winter 2023
15	creating an interactive educational path for sustainable living	awareness-raising journey – drivers – literature review – global initiative	Sächsische Hans Carl von Carlowitz Gesellschaft zur Förderung der Nachhaltigkeit	winter 2023
4	creating an interactive educational path for sustainable living	intergenerational commitment – brochure – content development – global initiative	Sächsische Hans Carl von Carlowitz Gesellschaft zur Förderung der Nachhaltigkeit	winter 2023
4	creating an interactive educational path for sustainable living	public engagement and participation for cultural diversity – standard setting – literature review – global initiative	Sächsische Hans Carl von Carlowitz Gesellschaft zur Förderung der Nachhaltigkeit	winter 2023
4	planning an introduction event and marketing strategy for a global citizenship certificate	cultural awareness-raising programme – onboarding event – brainstorming participation – global initiative	Internationalization@Home TU Dresden	winter 2023
17	planning an introduction event and marketing strategy for a global citizenship certificate	cross-campus-border partnerships – onboarding event – project management – global initiative	Internationalization@Home TU Dresden	winter 2023
4	planning an introduction event and marketing strategy for a global citizenship certificate	stakeholder dialogue education for sustainable development including gender equality and human rights – stakeholder communication platform – strategic thinking – global initiative	Internationalization@Home TU Dresden	winter 2023
17	planning an introduction event and marketing strategy for a global citizenship certificate	cross-campus-border partnerships – marketing strategy – risk-opportunity assessment – global initiative	Internationalization@Home TU Dresden	winter 2023
4	enhancing the visibility of international campus' research efforts in high-risk areas	educational impact through accessibility – case study – focus-group interviews – global initiative	International Campus TU Dresden	winter 2023
4	enhancing the visibility of international campus' research efforts in high-risk areas	facilitating elements of societal inclusion/integration – conceptual video script – focus-group interviews – global initiative	International Campus TU Dresden	winter 2023
4	enhancing the visibility of international campus' research efforts in high-risk areas	comparative institutional advantages – conceptual video script – focus-group interviews – global initiative	International Campus TU Dresden	winter 2023
9	promoting educational initiatives to communicate fossil fuel subsidies and their consequences	public awareness – scientific poster – imaging – global transfer options	PIX Lab Lausitz	winter 2023
9	promoting educational initiatives to communicate fossil fuel subsidies and their consequences	public awareness – scientific poster – impact assessment – global transfer options	PIX Lab Lausitz	winter 2023
4	bringing quality education to the reality	sustainable-infrastructure support – platform – focus-group interviews – global upscaling options	Reallabor Dresden	winter 2023
16	bringing quality education to the reality	education-system impact – survey – strategic community-engagement – global upscaling options	Reallabor Dresden	winter 2023
4	bringing quality education to the reality	quality-education definition – survey – focus-group interview – global upscaling options	Reallabor Dresden	winter 2023
4	providing hands-on strategies for biodiversity in action	biodiversity education – guide – literature review – global lifelong learning	Biodiversity Group TU Dresden	summer 2024
15	providing hands-on strategies for biodiversity in action	biodiversity education – guideline – literature review – global awareness-raising	Biodiversity Group TU Dresden	summer 2024
6	providing hands-on strategies for biodiversity in action	biodiversity education – guideline – literature review – global awareness-raising	Biodiversity Group TU Dresden	summer 2024
4	designing weekly sustainability nudges	sustainability communication – cultural powerpoint nudges – literature review – global discourses	UNU-FLORES	summer 2024
4	designing weekly sustainability nudges	sustainability communication – environmental powerpoint nudges – literature review – global discourses	UNU-FLORES	summer 2024
4	designing weekly sustainability nudges	sustainability communication – economic powerpoint nudges – literature review – global discourses	UNU-FLORES	summer 2024
4	designing weekly sustainability nudges	sustainability communication – societal powerpoint nudges – literature review – global discourses	UNU-FLORES	summer 2024
17	conceptualizing an internationally-recognized get-together event	cross-border ideation – project canvas – cost-revenue structure – global exchange options	MSAO Future Foundation	summer 2024
17	conceptualizing an internationally-recognized get-together event	cross-border ideation – project canvas – customer-relationship mapping – global exchange options	MSAO Future Foundation	summer 2024
17	conceptualizing an internationally-recognized get-together event	cross-border ideation – project canvas – communication-channel analysis – global exchange options	MSAO Future Foundation	summer 2024
4	immersing through real-life biodiversity experiences	biodiversity-related community engagement – digital resources – graphic design – global replicability	Museum für Naturkunde Chemnitz	winter 2024
4	immersing through real-life biodiversity experiences	biodiversity-related community engagement – educational tool list – workshop design – global replicability	Museum für Naturkunde Chemnitz	winter 2024
17	immersing through real-life biodiversity experiences	biodiversity-related community engagement – stakeholder map – stakeholder analysis – global replicability	Museum für Naturkunde Chemnitz	winter 2024
15	immersing through real-life biodiversity experiences	biodiversity-related community engagement – guided tour – graphic design – global replicability	Museum für Naturkunde Chemnitz	winter 2024
4	fostering local civil-society engagement for regional biodiversity	biodiversity-awareness-raising campaign – podcast – target-group analysis – global-landscape-degradation prevention	BUND Dresden	winter 2024
15	fostering local civil-society engagement for regional biodiversity	biodiversity-awareness-raising campaign – investigation report – mixed-method analysis – global-landscape-degradation prevention	BUND Dresden	winter 2024
15	fostering local civil-society engagement for regional biodiversity	biodiversity-awareness-raising campaign – concept – mixed-method analysis – global-landscape-degradation prevention	BUND Dresden	winter 2024
15	fostering local civil-society engagement for regional biodiversity	biodiversity-awareness-raising campaign – survey – interview – global-landscape-degradation prevention	BUND Dresden	winter 2024
4	analysing funding approaches for global ESD encounters	cross-border collaboration – potential-donor list – web research – global exchange opportunities	arche noVa	winter 2024
4	analysing funding approaches for global ESD encounters	cross-border collaboration – data-visualization chart – web survey – global exchange opportunities	arche noVa	winter 2024
4	analysing funding approaches for global ESD encounters	cross-border collaboration – donor portfolio – web research – global encounters	arche noVa	winter 2024
4	analysing funding approaches for global ESD encounters	cross-border collaboration – AI-visualized report – literature review – global encounters	arche noVa	winter 2024
12	creating a comprehensive chain-of-custody-system for tracking origin, sustainability and compliance of carbon-based materials and their derivatives	compliance system for sustainability – certification-process design – scenario analysis – global scalability	PIX Lab Lausitz	winter 2024
7	creating a comprehensive chain-of-custody-system for tracking origin, sustainability and compliance of carbon-based materials and their derivatives	compliance system for sustainability – stakeholder map – stakeholder analysis – global scalability	PIX Lab Lausitz	winter 2024
13	framing decarbonisation strategies	emission reduction – cost calculation – literature review – global scalability	PIX Lab Lausitz	winter 2024
13	framing decarbonisation strategies	emission reduction – policy brief – literature review – global scalability	PIX Lab Lausitz	winter 2024
13	framing decarbonisation strategies	emission reduction – strategy design – literature review – global scalability	PIX Lab Lausitz	winter 2024
3	designing floating-office concepts	floating-office implementation – phased introduction plan – participatory involvement – global sustainable workplace-innovation	UNU-FLORES	winter 2024
8	designing floating-office concepts	sustainable procurement strategies – life-cycle assessment – cost-benefit-calculation – global upscaling options	UNU-FLORES	winter 2024
3	designing floating-office concepts	floating-office communication – recommendation brief – information campaign – global upscaling options	UNU-FLORES	winter 2024
12	designing floating-office concepts	floating-office awareness-raising – showcase – information campaign – global upscaling options	UNU-FLORES	winter 2024
12	providing sustainable-farming insights	organic-farming contextualization – case study – semi-structured interview – global awareness-raising	UNU-FLORES	winter 2024
13	providing sustainable-farming insights	sustainable-farming practices – key-findings-report – systematic literature analysis – global actionable insights	UNU-FLORES	winter 2024
2	providing sustainable-farming insights	socio-economic barriers – key-findings-report – systematic literature analysis – global actionable insights	UNU-FLORES	winter 2024
2	providing sustainable-farming insights	organic-farming contextualization – report – case-study analysis – global replicability	UNU-FLORES	winter 2024
1	providing sustainable-farming insights	organic-farming contextualization – guidelines – case-study analysis – global replicability	UNU-FLORES	winter 2024
15	reporting ecosystem services	forest-ecosystem-restoration communication – fact sheet – literature review – global ecosystem management	Wilderness International	winter 2024
15	reporting ecosystem services	forest-ecosystem-restoration communication – poster – literature review – global awareness-raising	Wilderness International	winter 2024
6	reporting ecosystem services	soil-water retention – research brief – literature review – global management practices	Wilderness International	winter 2024
13	reporting ecosystem services	biomass and deadwood stocks – research brief – literature review – global carbon-storage contribution	Wilderness International	winter 2024
